The RECALL 1945

Annual Publication of Cadet Corps

AUGUSTA MILITARY ACADEMY
Fort Defiance, Virginia

MISS FLORENCE McCORMICK
"MOTHER MAC"

EDICATION

"A TRIBUTE"

All of us who know Miss Florence McCormick will always remember her as long as we live, and whenever we think of her we will be better for the thought. There are people who, by paying a great price and by traveling alone the road of pain and suffering become the invisible guardians and inspirations of their loved ones and their friends . . . Miss Florence or, as we more affectionately know her, "Mother Mac," has been our invisible guardian for the past twenty-nine years at Augusta. Those years have passed quickly for her. However as they are to us, so they are to her the happiest years of her life and of ours. Thus it is a great privilege to the staff of the 1945 RECALL to dedicate this edition of the yearbook to

"MOTHER MAC"

The present history of Augusta, as it is now being written, will place her name among those of the great immortals. To know her is to love her, knowing her is to live the history of A.M.A. Words cannot express our love and affection for this wonderful lady that fate so kindly sent to us. May her future years be as full of the beautiful things of life as they have been in the past. "Mother" all of us love you.

AUGUSTA MILITARY ACADEMY

FOREWORD

We, the Staff of the RECALL for the year 1945, have, to the best of our ability, endeavored to prepare an Annual that we sincerely hope will serve as a true and impartial chronicle of the events of the school year, and will be the means, in later years, of recalling to memory the faces of our friends now so well known to us all.

RECALL---NINETEEN FORTY-FIVE

AUGUSTA MILITARY ACADEMY

BLAINE H. BURDEN

1725 Lanier Place, Washington, D. C.

(42) Pvt. Co. A; (43) Corp. Co. B; (44) 1st Sgt. Co. B, (45) Capt. Adj.; Peep Football (1) (2); Mgr. Swimming (3) (4)

Beak, our Capt.-adjutant and manager of our varsity swimming team is probably one of the most hated boys, when the guard duty comes along, but after it's all forgotten about, he is one of the best liked cadets. If he ever gets in a complaint department, he'll go to the top with the experience at A.M.A.

JAMES P. COEN

Box 2388, Charleston, W. Va.

(41) Pvt. Co. D; (42) Pvt. Co. C; (43) Corp. Co. B; (44) 1st Sgt. Co. D; (45) 2nd Lt. Co. B; Peep Football, JV Basketball (1) (2) (3) (4); Cotillion, Final Ball, Decorating Committee (4)

Jimmy, who has been here for five years should own one-sixth of the school, but instead he is satisfied just to graduate from Augusta. Just say dance, and Jimmy forgets all about everything, even his Lt. in Co. "B." As a lawyer we wish Jimmy all the success in the world.

JOSEPH J. DUNN

4835 24 Rd., Arlington, Va.

(43) Pvt. Co. A; (44) Pvt. Co. C, Track; (45) Plat. Sgt. Co. B.

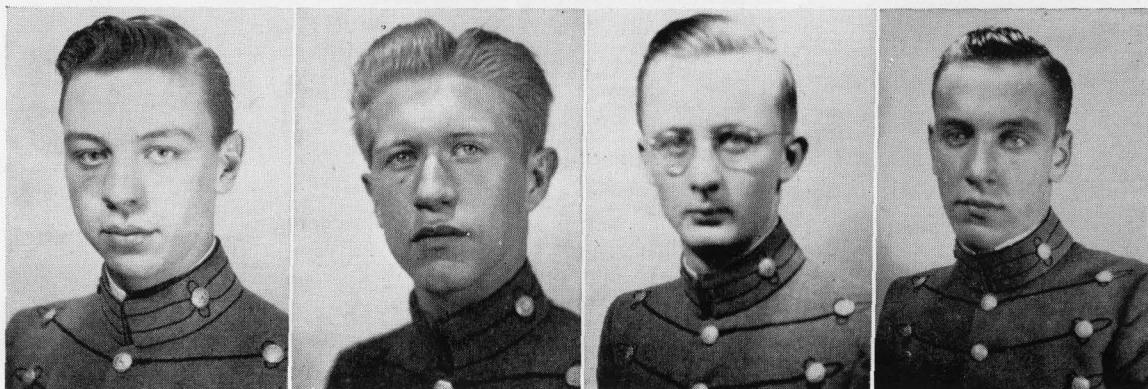

Just mention a bucket of water and Joe goes and looks at his bed, because he doesn't like to sleep in a wet bed. (T.S.P.A.). But nevertheless when someone needs someone to go on guard, Joe always volunteers to go on for him. We all wish Joe a great future in the army because college will have to wait till later.

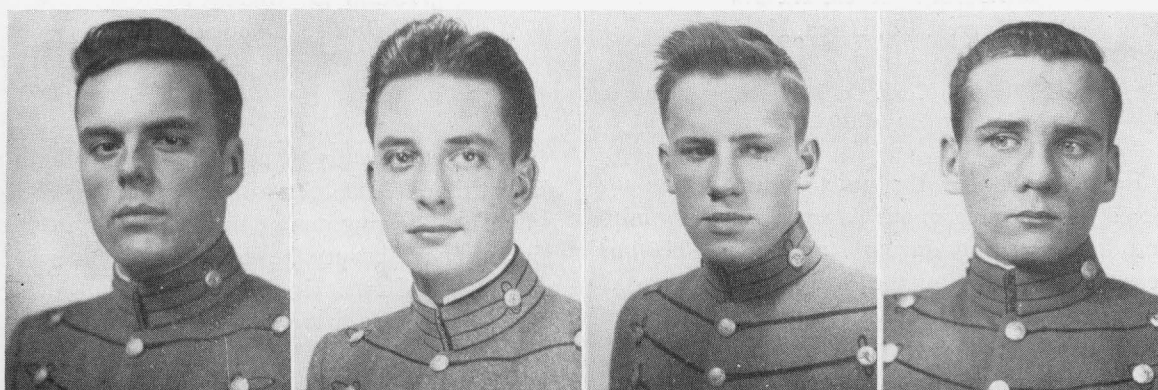

RAYMOND E. LONG

712 Maury Pl., Norfolk, Va.

(43) Pvt. Co. A, JV Football, Swimming; (44) Corp. Co. B; (45) 1st Sgt. Co. B, Varsity Football, Swimming, and Baseball (2) (3); Honor Committee (3)

Shorty, that great backstroker, came to Augusta three years ago. He has earned 5 letters in sports and is a 1st Sgt. in Co. "B." When the records of swimming come to us in later years, Shorty Long's name will be at the top of the list. We wish you lots of luck to a swell sport and a great swimmer.

CHEATHAM M. STONE
600 Powell St., Crewe, Va.

(44) Pvt. Co. A, Best New Cadet Co. A, Honor Comm.;
(45) Sgt. Co. B., V Football, Wrestling Team

Cheatham has made quite a name for himself in two years, being elected to the honor committee both years. He is an outstanding officer, and in the field of sports he has won two letters in football and was Captain of the Wrestling Team. We know that with his fine character he will keep on progressing upwards. Good Luck, Cheatham.

EARL DUDLEY WEED
Qrts. 18-N, Fort Omaha, Neb.

(42) Pvt. Co. B, Tennis; (43) Corp. Co. B; (44) 2nd Lt. Co. D, Rifle Team; (45) Ex-Capt. Co. A, Vice-Pres. Cotillion Club

Earl—made quite a name for himself in his three years here. Two years a sharpshooter and as captain of our cheer leaders, he will remain in our hearts as well as in the hearts of many a girl whom he left heartbroken when he left for the service. Best of luck and good hunting.

PAGE N. MacCRUM
Fort Defiance, Va.

(43) Pvt. Co. C; (44) Sgt. Co. C; (45) 1st Lt. Co. B, Y.M.C.A. (1) (2), Honor Comm.

Known as "Mac" to his friends and roommates. Pretending to be a good boy, he served on the Y.M.C.A. cabinet for two years, but he is a confirmed trifter. We believe Major Roller will miss him more than any of us will, for he was his right and left hands. Good luck at West Point, "Mac."

DONALD W. BROWN
49 N. Mechanic St., Cumberland, Md.

(43) Pvt. Co. C; (44) Corp. Co. D; (45) 2nd Lt. Co. D, Fencing (1) (2) (3), White Page (2), V Football (3), Y.M.C.A. Cabinet (3), Honor Comm. (3)

Don was Co-Captain of the Fencing Team, and as one of its hardest workers received two letters in this sport. Even though he is small, he packs a terrific wallop on the gridiron, and won a third major letter. Here's hoping that he will keep some of this power for our enemies.

RECALL---NINETEEN FORTY-FIVE

AUGUSTA MILITARY ACADEMY

ROBERT T. GORTON
19 Jewett Pl., Utica, N. Y.

(44) Pvt. Co. B; (45) Corp. Co. B, Associate Editor of *Bayonet*, THE RECALL Staff

Bobby is one of the quiet cadets whom we never heard much about except his love affairs and letter writing during study hour. He has been a great help on the *Bayonet* and RECALL. When the air fleet of America comes over, we can count on Bob's being in the lead plane.

JAMES D. CRAWFORD
P. O. Box 167, Ahsokie, N. C.

(44) Pvt. Co. D; (45) Pvt. Co. D, Rifle Team (1) (2)

Jimmy has been with us for two years and in all that time he has been a regular member of the Rifle Team. Being one of those boys with clever wit and manly beauty, he has endeared himself to many of the Corps. Jimmy, we wish you the best of luck, and hope that you will be a great success in later life.

(44) Pvt. Co. B, Peep Football; (45) Pvt. Co. C, JV Football, JV Basketball, Colors

January 28 will always be remembered by Joe, who on that night stepped into night life. Joe has the honor of being on our Color Guard. During the night, Joe has a habit of tracking mice in 304 and keeping people awake. But to a good sport, lots of luck.

MILTON I. ROSS
1220 Walnut St., Philadelphia, Penn.

(44) Pvt. Co. C; (45) Pvt. Co. C, Decorating Comm. (1) (2)

Buddy came to A.M.A. last year and has been a swell pal to all. Just before a dance you will always find him in the gym. You can always find Buddy busily cleaning his rifle and believe me, fellows, he's an expert at it. Best wishes, Buddy.

Bob's a boy who only needs a swimming pool with a diving board to make him at home; also he's right at home on the dance floor. If you don't believe me, ask the girls. Bob has always been the man, when a fellow needed a friend. We wish you the best of luck in the world, Bob.

Larry's the boy you always see catching passes at football games. Now that football season is over Larry's decided to be a barracks restler, but in previous years he has been on several other teams and made a swell showing. To a swell and regular fellow we wish you lots of luck.

RECALL---NINETEEN FORTY-FIVE

AUGUSTA MILITARY ACADEMY

RANDAL T. ELLIOTT
Peak St., Bedford, Virginia

(44) Pvt. Co. D; (45) Corp. Co. A

Dave's the one you always think of when you think of Stuart Hall, as he made quite a hit there. He's made an outstanding impression on the faculty and cadets both socially and from the standpoint of studies, in his two years here. Incidentally, fellows, Dave might not be very large, but he's really a boxer from way back. He is planning to enter college upon graduating from A.M.A., West Point to be exact, and there he will be a top officer in Uncle Sam's army.

BOYD M. LAWTHER
10 S. Quincy St., Margate City, N. J.

(43) Pvt. Co. C; (44) Corp. Co. A; (45) Sgt. Major,
Staff

Preach, our able Sergeant-Major, is the one who calls the battalion to attention faster than any cadet yet to enroll in A.M.A. He received his nickname as he planned to be a preacher, but it seems the fourth stoop tower has ruined his plans. Preach came here three years ago and has always been a true friend to all, so in saying so long, Preach, we wish you the best of luck.

BIGELOW C. THOMSON
P. O. Box 413, Winchester, Va.

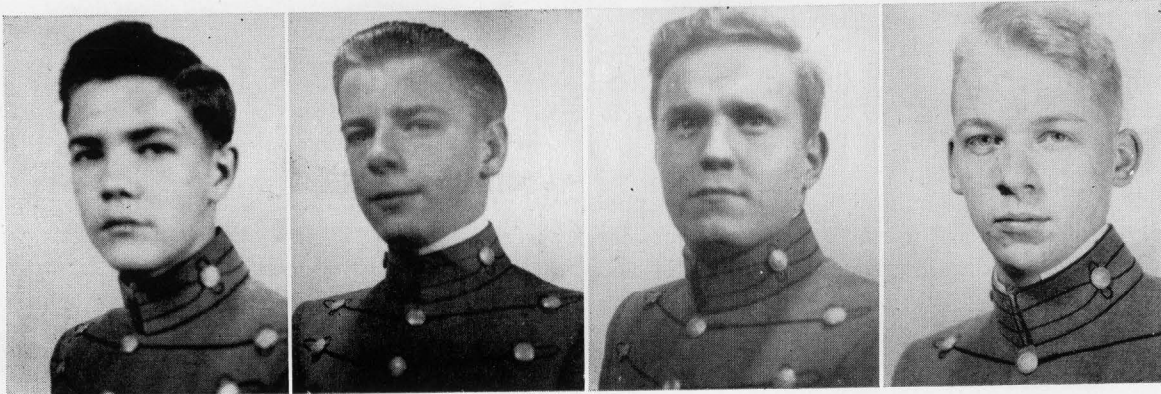

(43) Pvt. Co. D; (44) Pvt. Co. D; (45) 1st Sgt. Co. E

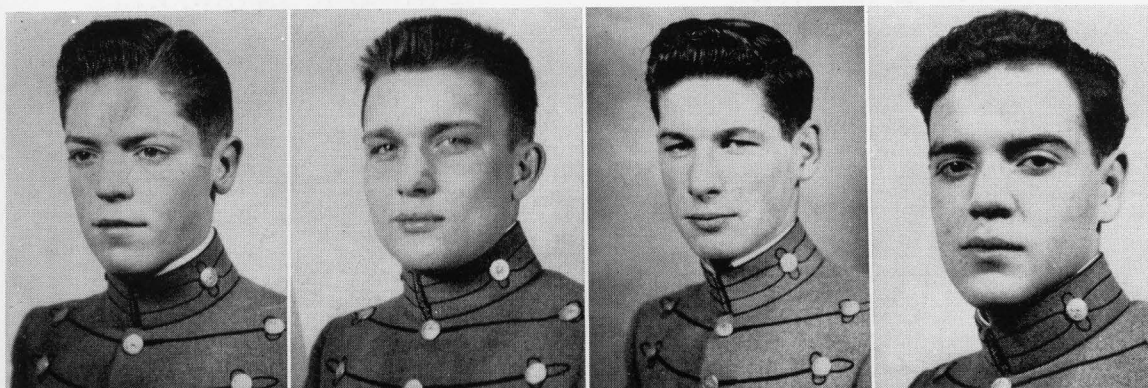

Who's that boy you see after every formation standing strolling up and down in front of Co. E, giving the boys the devil? It's Bigelow, but don't feel bad because they still like you. Bigelow came here three years ago, and he has made quite a reputation around the school. His chief loves are flying and V.M.I., and we will always remember those turnouts saying, "All men interested in flying report up to 309." Lots of luck, Bigelow, in V.M.I.

GEORGE B. CRIST
P. O. Box 554, Craigsville, Va.

(44) Pvt. Band; (45) Sgt. Band

When you hear the drums rolling, you can always look to the band and see Cris really knocking the drums. He is one of those quiet boys who always has the Big Heart under it and undoubtedly a truly great fellow. Upon graduating Cris will enter the armed services, and we sincerely wish you the best of luck. We are sure that you will make as good a showing there as you have here at A.M.A.

WILLIAM S. GENTRY
2917 Bayview Blvd., Portsmouth, Va.

(44) Pvt. Co. C; (45) Corp. Co. B, JV Football, JV Basketball, Colors

Bill, having graduated from Wilson High of Portsmouth, came to A.M.A. last year to take a post-graduate course. Incidentally please don't hurt his feelings and tell him Portsmouth isn't the capital of the world. Bill's been one of the most active members of the T.S.P.A. and is a major in this organization. He plans to enter the Navy this coming summer, and we know Bill will surely have a girl in every port. Wherever you go, Bill, our best wishes go with you.

DON H. KREEGER
561 Carpenter, Northville, Mich.

(44) Pvt. Co. B; (45) Ordnance Sgt., Staff; Wrestling Team

Whenever you hear jokes being cracked and wise cracks being passed around, you will always find Don with his true wit helping keep the moral as high as a kite. His smiles and good humor have been an inspiration to everyone here for the past two years. Don also can whip his weight in wrestling, his favorite sport. He will always be remembered here as a great fellow, and we know you will make a great impression wherever you go as you have here.

Ernie came to A.M.A. four years ago, and since then he has made the entire Corps love and respect him. As a Lt. in A Co., he will always be remembered for his cheery smile and good nature. His fame is wide-spread as the leader of the T.S.P.A., and we wish you everything, Ernie. Send the boys back at Augusta a few of those scientifically grown potatoes.

(44) Pvt. Co. B, Fencing Manager, RECALL and *Bayonet* Staff, Decorating Committee; (45) Pvt. Co. B, Fencing Team, RECALL and *Bayonet* Staff, Final Ball Decorating Committee

Pedro came to A.M.A. last year and has been of great value on both the RECALL and *Bayonet* Staff. He has really been a woman slayer in his two years, and his real one seems to be in Stuart Hall. Upon graduating he plans to enter the Air Corps, and we know your timely wit and big heart will make you well-liked wherever you may go. Lots of luck, Pedro, and good hunting.

Rex, one of our tower men, is one of the best commissioned officers at A.M.A. Coming from the enchanted city of Washington, as a new cadet, he quickly built himself into Lieutenant. Known for his humoristic side by every man in the company, his wit alone will carry him through life.

417 Lee St., Hampton, Va.

(44) Pvt. Co. D, Tennis; (45) Busted Aristocrat

Curtiss is one of Augusta's representatives to the Air Corps where we know he will make as good a record there as he has here. When tennis intramurals were in their peak, you could always find Curtiss out there sweating and playing his best. Goofey will be down in the books as one of our fine managers of football, and he showed lots of school spirit which enabled our teams to victory. Goofey is planning on following in his father's footsteps, and he will make a fine lawyer from his past, which he has shown that he has what it takes. Wherever Goofey goes our luck will always be with him in the future.

RECALL---NINETEEN FORTY- FIVE

AUGUSTA MILITARY ACADEMY

CHARLES B. WILLIAMS
14932 Euclid Ave., Cleveland, Ohio

(44) Pvt. Co. A; (45) Corp. Co. A

Commonly known as the hill billy, or smoky mountain boy. Tall, lanky, likeable, with a southern drawl and very good sense of humor. As a corporal, the squad wouldn't turn him loose; as a student, one of the best. We believe he will follow his father's footsteps and become a doctor. We wish him the best of luck.

SAMUEL W. NEFF
1629 A. St., Portsmouth, Va.

(44) Pvt. Co. C; (45) Corp. Co. C, Swimming Team (1) (2), Track Team (1) (2), JV Football

On your mark, get set, go! And it's Sam Neff in a swimming relay meet. Yes, it's that undefeated relay team. It takes four men to make up a team, but they all have to be exceptionally good to be on it, and he is. The team will always be remembered for setting a new pool record. Without Sam this would not have been possible. Keep it up, Sam!

JUAN F. WONG
Box 681, Panama, R. P.

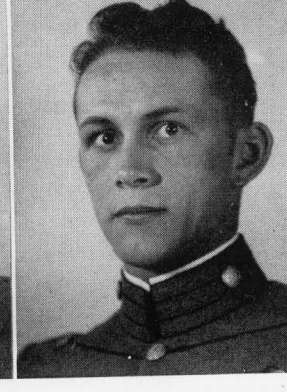

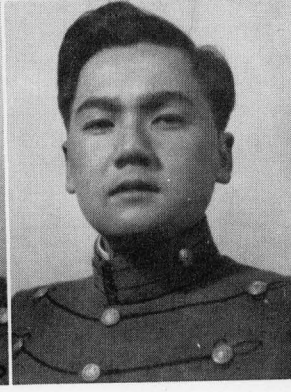

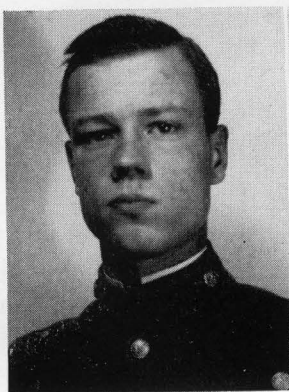

(44) Pvt. Co. D, JV Fencing; (45) Corp. Co. C, V Fencing, JV Football

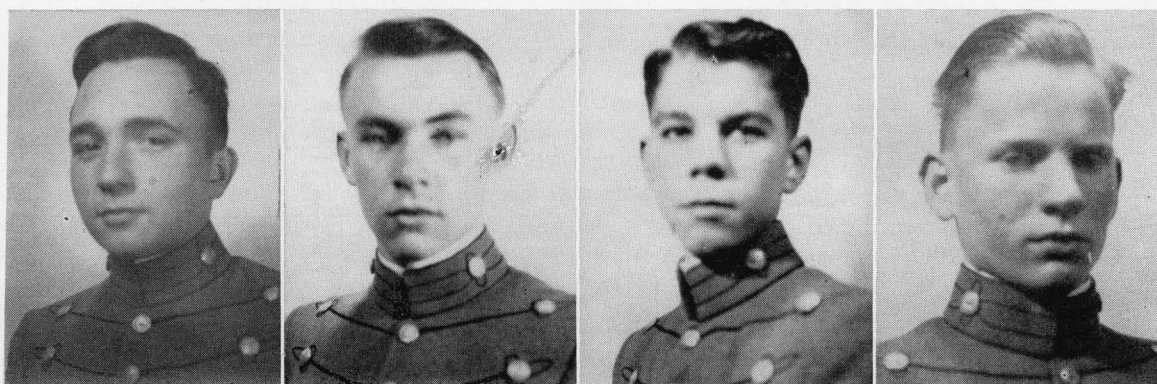

One of the Wong brothers, who has been the strong-arm of the Epee Team. Never losing a meet in either foil or Epee, the team will miss him. He is one of our most honored and trusted boys and well-liked. Johnny is the type who goes after something and gets it. So we know that Panama will some day be proud of him.

GEORGE E. CARPENTER
218 Maple Ave., Newport News, Va.

(44) Pvt. Co. B; (45) Corp. Co. B

We will always remember George as that enviable boy of brain, brawn, and manly features that is at home in any company. Upon graduating, George will enter the Merchant Marine Academy, and there we know that he will make a name for himself and A.M.A. Best wishes, George, and lots of luck.

RICHARD R. FREEMAN
312 Passaic Ave., Spring Lake, N. J.

(44) Pvt. Co. C; (45) Busted Aristocrat

This is a phrase that can best describe Dick to all, "Wise men say little!" In his two years at A.M.A., he has proven himself worthy of all honors that have been bestowed on him. When goodbyes are said, we wish you the best of everything in everything.

EDWARD T. LEMMON
26 Lorrain St., Glen Ridge, N. J.

(43) Pvt. Co. A; (44) Corp. Co. A, JV Basketball, Football, Baseball; (45) Plt. Sgt. Co. A, Mgr. Basketball

Ed is a three-year boy, and in all his years he has been true to the basketball team. Without his assistance as Manager this year, our basketball team may not have finished in first place as they did. To a fine fellow and all around manager, we wish the best of luck.

HUNTER B. STEWART
1021 Taylor Ave., Richmond, Va.

(44) Pvt. Co. D; (45) Pvt. Co. D, JV Basketball (1)

Stewart is one of the Four Horsemen of A.M.A. The Army took Rockwell, the Major moved Chappell, leaving Thomas and H. B. to keep up the tradition. Good looking, brainy, good natured, plus all those qualities that go to make a true Southerner. The Air Corps has a sure bet with H. B. Best of luck, ole fellow.

DONALD M. WILSON
631 S. Lahoma Ave., Norman, Okla.

(45) Pvt. Co. B, Rifle Team

This boy can seem miles away; just look for a moving sun, and there is Wilson. His hair is so red that it helps the A.M.A. Rifle Team to make a good score. For him we predict a wonderful future in the Army and in the business of his choice after the war is won.

DAVE B. SEWARD
316 Hurley Ave., Hilton Village, Va.

(44) Pvt. Co. A, Football Team, Swimming Team, Honor Committee

(42) Pvt. Co. D; (43) Corp. Co. B; (44) Plat. Sgt. Co. C, Peep Football (1) (2) (3); (45) 1st Lt. Co. A, V Football, Wrestling (1) (2) (3); Honor Committee

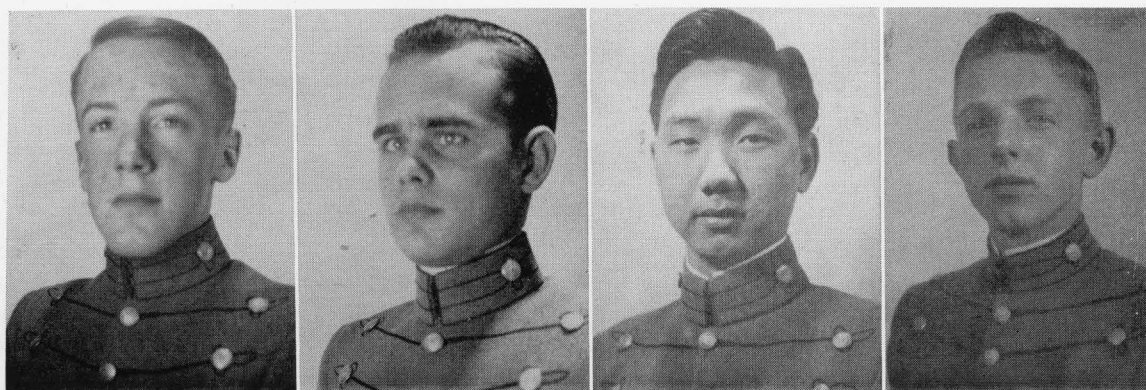

A Kentucky gentleman, no less, is Hardin, this being his fourth year at Augusta, and he has more good things than we can write about. He has taken part in football starting from Peeps to the Varsity Squad. In wrestling, he has been Captain for the past year. Then it comes to women, boy, is he on the ball! We cannot forget Hardin as leaving his name in the high honors of Kentucky.

BOBBY B. JOHNSON

Just say sports and Bobby comes into our mind. In his two years at Augusta, he has acquired letters in football, being Captain for the last year—basketball, baseball. We will remember him for his famous 100-yard run in the football game with Miller School. Then in the three extra periods against Fishburne, he was the only varsity player left in the game. With his good looks and athletic ability, women beware!

Red is also one of the few Kentucky Colonels at A.M.A., being from the heart of the Bluegrass State. When Red leaves us this Spring, the University of Kentucky will gain, while we will suffer a loss. Good Luck, Bobby!

Charlie, one of our quietest boys, doesn't say much, but if it is true that actions speak louder than words, he doesn't have to. His first year he tried fencing but found swimming much more to his liking. He has mastered three languages: Spanish, English, and Chinese. He can speak all fluently. Keep up the good work, Charlie. We are behind you in all that you do.

Varsity Football Team

Augusta, coached by Al Waleski and captained by Bobby Johnson, started very slowly, being held to ties by Clifton Forge 6-6, R.M.A. 0-0 and Massanutten 0-0. The next two contests were dropped to two very tough foes, Greenbrier 35-13 and Navy Plebes 38-0. In the Navy game the Blue and White team showed their fighting spirit in the second half when they held Navy to one touchdown and even outplayed them. Augusta hit its stride in the next three games, winning from Hargrave 18-0, Miller School 39-6, and Fishburne 45-0. In the Miller School game Johnson intercepted a pass and ran 105 yards for a touchdown. Augusta remained undefeated in its league, winning two and tying two.

Don Bazemore, Taylor Woody, and Jesse Mohler were chosen on the all state Military Team. Don Bazemore was also chosen the outstanding player in the state. Bobby Johnson, Clint Steele, Spurgeon McDade, Joe DiBello made honorable mention in the All-State Military Team. The season's record stands: three games won, two lost, and two tied. The military score was: won two, lost none, and tied two.

Monogram winners were: Long, R.; Woody; Crosby; Blackley; Chipley; Stanley, L.; Stanley, J.; McDade; Steele; Eddy; Gruber; Bazemore; Mohler; Lingerfelt; Burton; Field, H.; Johnson; DiBello; Seward; Brown, D.; Stone; Koellmer; Powell, G.; Litten; Smith, R. Junior Varsity Football

The Jay-Vee football squad began their season in a fast game with the Clifton Forge Jay-Vees. Due to the fact that this was their first game of the season with only two weeks of practice under their belts, the final score was tied 6-6. With a few more weeks of practice and experience to their credit they tackled Lee High Varsity of Staunton. The Jay-Vees started with a bang and were leading 12-6 when in the last few minutes of the game on a bad pass from center, A.M.A. lost the ball and Lee High went over for a touchdown. The extra point was good and the Jay-Vees lost the game by the score of 13-12. In this game, however, the Jay-Vees showed their fine coaching and really out-played their opponents. After this game A.M.A. suffered a run of bad luck during which they dropped two games to Waynesboro and Fishburne Jay-Vees by the scores of 13-12 and 12-6, respectively. Undaunted by these losses the Jay-Vees returned in a blaze of glory to beat Waynesboro in a game filled with many thrills, by the score of 31-6. Confident of themselves, they next took on Fishburne in a return game and walked away with another victory 12-6. This game ended their season and we are confident that from this year's squad of Jay-Vees, our next year's Varsity will draw many stars.

Much credit is due to Captain Eastham for his fine coaching and to the members of the squad for their whole-hearted cooperation.

The following men were awarded much deserved minor monograms: Heizer, Nicklas, Neff, Pitts, Greiser, Lemmon, Harris, Bowie, Richardson, J., Spilman, and DeJarnette.

Varsity Basketball Team

The Waleskites of Augusta started the season slow by losing to E.R.C. of Lexington, Va., 54-32, and to Greenbrier 44-23. Displaying an improved brand of ball Augusta defeated Massanutten 35-27, and Hargrove 47-24, and losing to Randolph-Macon 42-30 in a bitter struggle. Traveling to Fishburne the Waleskites defeated a small but tough foe 41-21, and then traveling to Greenbrier to lose 61-27. Here the Blue and White had a recess due to G. I. and when play resumed A.M.A. defeated Fork Union 49-27 at F.U.M.A.; Clifton Forge 52-38; Fork Union 51-45; Fishburne 48-40 in a game marked with thrills and chills which went into three extra periods. Bob Chipley (captain) led the team, scoring with 235 points and Koellmer followed with 165 points.

The season's standing was as follows: won nine, lost four for an average of .692, and in the military meets: won seven, lost one, for an average of .875.

Major Monograms were awarded to the following: Koellmer, Steele, Chipley, Johnson, Bazemore, Gliboff, Thompson, E., Nelson, Gruber, and Heizer. Minors were issued to: Sanders, W., Barnes, Henery, May, Henry P., and Burton, N.

Fencing Team

Augusta kept up with its wonderful record this past year by remaining undefeated among prep schools. In the opening meet with Fork Union, our foilsmen easily defeated their opponents.

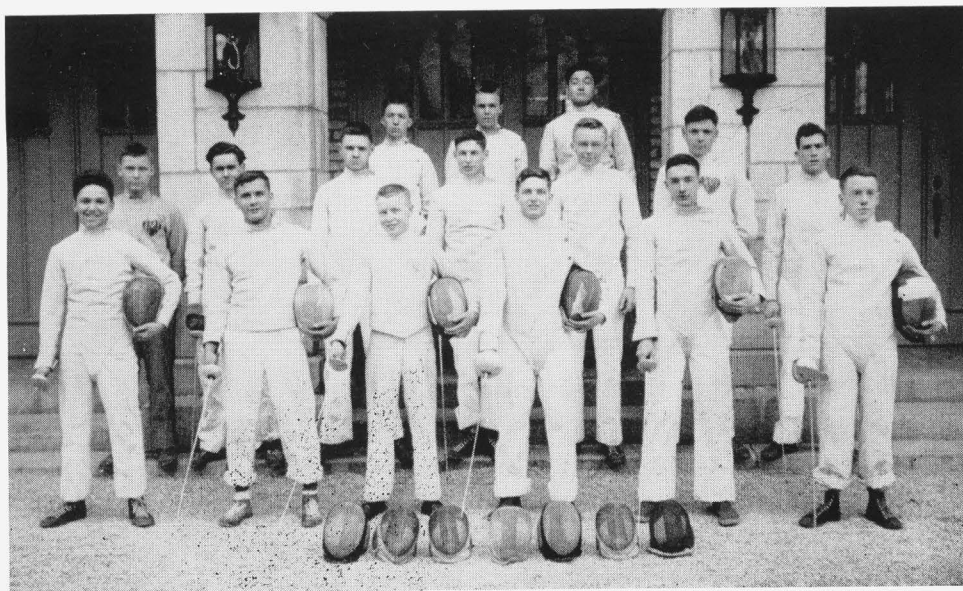

The next meet was with Bambridge Naval Station, in which our swordsmen met three Olympic Champions who proved our downfall. Wasco was our only shining light when he won his match 5-3. This being our first exhibition of our team in epee and sabre, we did remarkably well. Brown gaining one point against Parsons, the Olympic Champ, while Moerschell lost by a 3-5 score to his experienced opponent.

On the return trip from Baltimore, A.M.A. met and defeated the champions of Baltimore, Baltimore City College. Jackie Field and Wasco took honors in this meet.

The next meet was with Navy, which we lost 19-8. In the foil, Wasco again topped his teammates, winning two, while Field and Thomas won one each. In the epee, Wong starred, assisted by Mandes. In the sabre, Caudill was our only light when he won the sole bout in this weapon.

In the final meets of the season, Fork Union was again met and defeated. In the last meets, many new men were used for the first time, thus giving them needed experience for next year's longer and more difficult schedule. Through the season, Wasco was the outstanding fencer, with Field a close second.

Swimming

The Swimming Team of Augusta Military Academy has won the title of State Champions. This notice recently appeared in the newspaper. This was inevitable, as our team has been breaking and setting new records all year.

In its opening meet A.M.A. defeated Fishburne 37-29. Our undefeated free-style relay team of: Neff, Coleman, Shutte, and Venzer turned in a first, as did Venzer in the 50 yard free-style, and Coleman in the 220. In its second meet A.M.A. was downed by the Army Plebes 45-21, but again Venzer won in the 50 yard free-style, and another first was our 200 yard relay of Neff, Schutte, Coleman and Venzer. Again against more experienced team A.M.A. lost to the Navy 42-24. Schutte, and Venzer in the 200 yard relay also took a first, with Coleman and Neff. Schutte came in from behind to win the 100 yard free-style. A.M.A.'s tank-men next downed R.M.A. 41-25 with Schutte setting a new 220 yard pool record, and also the relay team broke the existing pool record. F.M.S. bowed to A.M.A. 46-20 and Schutte again set a new 100 yard free-style record, while the relay team broke its own record.

Wrestling Team

A new outlook has been taken on this sport this year. The present has been forgotten and everything was done with the future in mind. Thus despite a hard schedule, an enviable record has been made. The opening meet with Woodberry Forest saw our team go down before an experienced outfit. Woody and Hardin Field were the stars in this meet, with Woody forcing his man to two extra periods before succumbing to a decision; Field going the limit and Mohler holding his man until the last fifteen seconds.

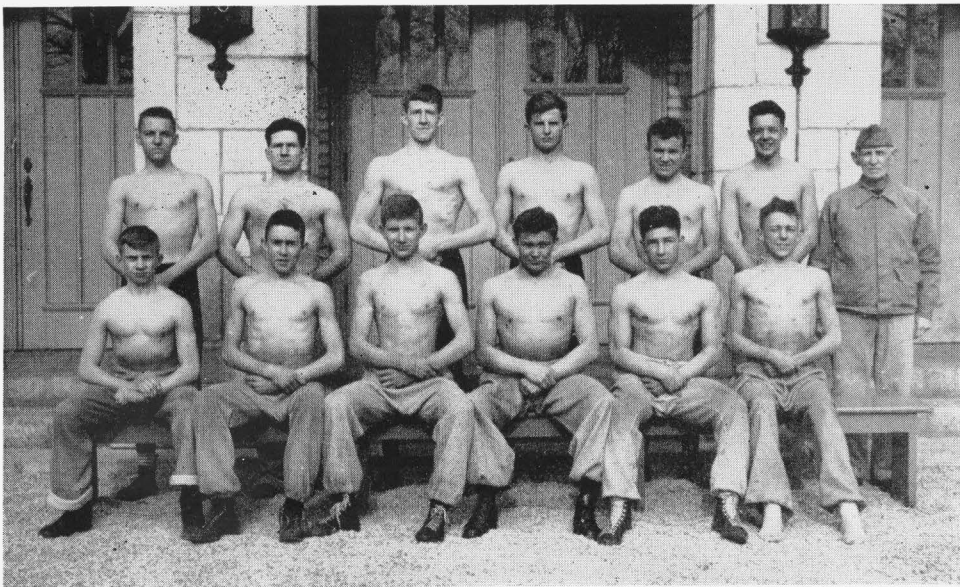

The next meet was with Navy. Naturally our opponents were better men but we have given them many a surprise. Tommy Tompkins and Mayer were outstanding when they held out until the last twenty seconds of their bouts before being pinned. The team as a whole put up a great fight before yielding to their superiors.

The next meet was V.S.D.B. (the same team they had last year), which we won 30-10. The meet was not as lopsided as the score indicates. Woody, Callahan, Tompkins, Mayer, and DeJarnette made points for Augusta.

The return meet with Woodberry saw our men forcing them to the limit in almost every bout and holding them to three falls. Tommy Tompkins and DeJarnette won a draw and a decision respectively.

Practice kept on after the season was finished and this predicts a great team in this great sport for next year. Capt. Lucas and Major Hoover along with Cadets Kauffman and Field, H., deserve a lot of praise for the wonderful work they accomplished this year.

Rifle Team

The 1944-45 rifle season started with the rifle match at Annapolis when they fired against the Navy Plebes. They lost by a narrow margin of 93 points with the final score of 1354 to 1261. Bryson was high scorer for A.M.A. with 242 out of a possible 300.

Their second match was at Massanutten Military Academy. Our riflemen won with the final score 1221 to 1219. Lea was high score man for Augusta with a 252.

In a three-way match at Fishburne M.S., our riflemen placed last with a score of 1946. F.M.S. led with a score of 1720. M.M.A. placed second with a final score of 1660. For A.M.A., Lea was high scorer with 349 out of a possible 400.

Their next meet was the state meet, held at Fishburne. Staunton Military Academy led with a score of 1301. Fishburne placed second with 1294, and A.M.A. placed third with 1242.

Their next match is with M.M.A. here on our range. We are sure that our riflemen will make a good showing.

In the National Small Bore Match held December 31, they place fifth out of about 320 schools. In the second stage on January 31, we placed sixth.

This year the team has done very well. We congratulate it and wish the following team lots of luck.

Boxing

Augusta's mittmen turned in a very disappointing schedule on paper, but actually there were some wonderful fights put up by our boys.

In the first boxing meet of the season, a very much more experienced Miller School team beat us 8-2. Lingerfelt came through with a win, while Thornton and Crosby gave us a draw.

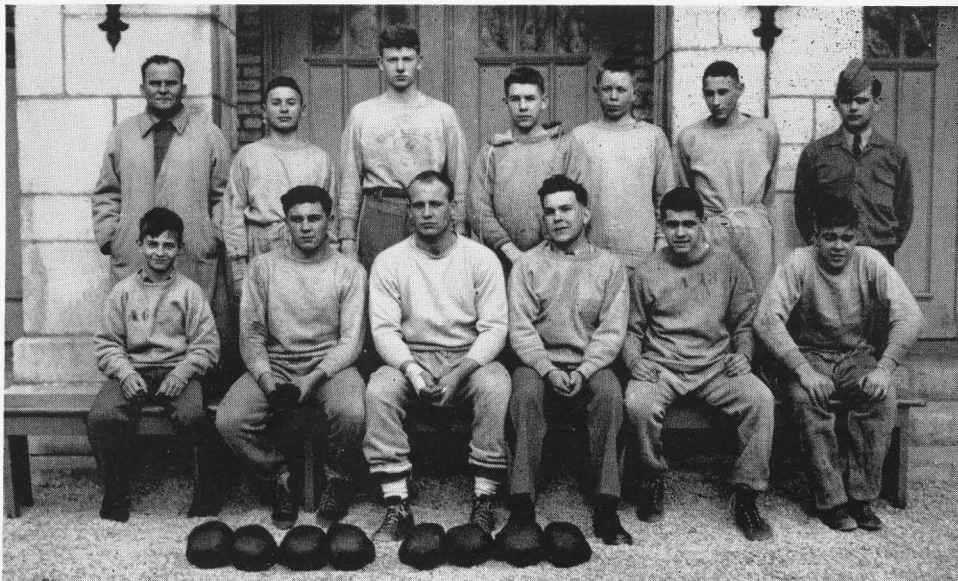

The second match again with Miller School, and after a hard fight, we again lost, $8\frac{1}{2}$ to $1\frac{1}{2}$. Crosby, the Captain of the team, won his bout and Reynolds earned a tie.

The third match was with the Army Plebes, and we lost that one 7-1. Crosby was the only one who won his bout.

In the last bout of the season, we lost to Fairfax High School 6-2. Crosby and Lingerfelt won their bouts.

As it has been said, the schedule is disappointing on paper, but in the actual fights you could see that the boys of Augusta were giving everything they had, and a little more for Augusta.

During the session of 1944-45 our President of the Student Body was Stanley, J., ably assisting him as leaders here at Augusta were Cadet Captain Richardson, Vice-President, Cadet Captain Stanley, L., Treasurer, and Cadet Lieutenant Pigg, Secretary.

Working as a team they did a marvelous job, and the Cadet Corps salutes them for a job, well done.

The Honor Committee

The performance of this year's Honor Committee will leave an unequalled record across the skies of A.M.A. Working as a coordinated group they have earned for themselves the title of the "Most Efficient Honor Committee in the History of A.M.A." The entire corps stood behind them in all their decisions, and never swerved in their loyalty.

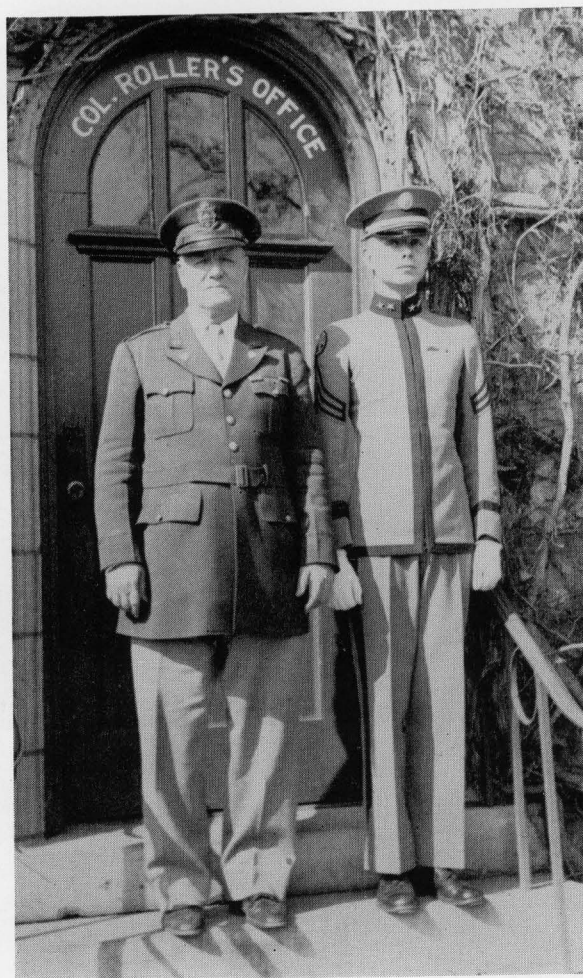

In addition to the officers of the student body the men of the committee were: 4th year Cadets, Wasco, Kauffman, Field; 3rd year Cadets, McCrum, Bailes, Brown, D., Long; 2nd year Cadets, Stone, Pitts, Johnson, Seward, New Cadet adviser.

"Ad Astra Per Aspera," "To the Stars Through Difficulty," the motto of our school. This Honorary Fraternity was organized by Major Roller in 1924. It is the highest honor that can be bestowed upon a cadet at this school. Ten new members, who have risen to the top through difficulties, are added each year.

Major Roller, as its founder, and Cadet Lieutenant Pigg, are the only present members. May we remember them, and they us as life rolls on.

Special commendation is given Mrs. Warren S. Robinson, our faithful pianist, who has contributed her services for a number of years.

"The Bayonet"

The Bayonet, our school paper, has published fifteen copies of news, sports, social life, quadrangle quirps, and whatever was of interest to the corps. The Staff has had but one idea, and that was to produce a paper far more superior than ever before attempted, despite the fact that only half of the Corps subscribed to it. However, its readers have nick-named it the Cadet's dearest friend.

A new character has been created by *The Bayonet* and has gained fame all over barracks, known to the cadets as Stubbs Parker. This year he was carried farther into trouble by Cadet McKee, who writes it. So to the oncoming cadets we hope that *The Bayonet* will exist in their midst as it has in ours.

"The Recall"

THE RECALL is probably the only thing that an A.M.A. alumnus will have to carry him back in his memories to the days of his cadetship. It is the authoritative presentation of the different phases of his school life and classmates. Our goal has been to present to the 1944-45 Corps an annual that will stand as an all-time high for bringing back the memories of Augusta.

Our staff, with the exception of a few, was chosen from inexperienced men, but by their effort and devotion to work, plus the able supervision of Major Hoover, they present an annual that will be a tribute to them all.

When J. D. White returned to school, we found a man who successfully handled all our financial worries. On the shoulders of Jimmy Pigg and Paul Moerschell fell the main burden of the work. Especial mention must be given to Bill Jones for his fine photographic work and to his assistant, Pete Cordero. The work of our artist, Frank Bryson, speaks for itself.

Many years the final ball has been a great success and this year has been no exception. Cadet Boothe was chosen to lead the Ball with his assistant, Jay Richardson. Class Prophecy

Here I am again, back at the old A.M.A. campus. I see that many of the graduating class of '45 are here for Finals. It seems that the class of '55 is very large.

It's swell looking over the old gang all together. Many of them have the memories of war on their minds, but they are as cheerful as ever. You would never know the old Clay Bowl, as it is now one of the best stadiums of its size on the East Coast. This product was largely made possible by the Class of '45, whose donations averaged close to \$500 apiece. Litten, who generally contributes twenty-five cents, has his name engraved in large letters on its side. Say, who is that tall, lanky fellow strolling toward me? It's Will Finney, and he seems mighty discouraged, as "moonshine" has hit rock bottom since the war. Standing near the arch talking to Major Roller is Tuck Lindsay, now a professor of Chemistry at V.M.I. Wasco seems to be in bitter argument with Colonel Roller as to whether or not he passed Latin, but anyway, Latin doesn't bother him, as his record business is really booming. I've heard that Weed is Commandant at West Point now, and has produced a champion rifle team. Carlisle is topping the Medical Profession with a brain restorer, and has many medals for his work during the war. Fred Taylor is managing the World's Heavyweight Boxing Champion now. He would be boxing, but his nose is worrying him. Max Bailes is back in West Virginia running four coal mines, and he would have been here, but his fourth child has the mumps. Jimmie Coen is approaching in his '55 convertible Buick sedan. Majors Fred Thomas and McCrum seem to be pretty stoop-shouldered from medals and campaign medals. Here comes Don Brown, the Czar of the Cumberland Breweries, offering a fencing foil with every bottle of German beer. The Wong brothers have started a professional fencing club in Panama. Incidentally, at the Olympics, held for the first time in New York, Thomas took top honors, with Wasco, Brown, D., Caudill, Wong, J., Wong, C., and Mandes. Shutte is now the mayor of Winchester, and Bigelow Thompson keeps the city under close watch for him in his autogyro, acting as Chief of Police. Jack Stanley is the governor of Virginia, while Larry keeps a farm going right outside of Galax. Al Venzler and Artie Stern have opened a swimming pool in Kennywood Park in Pittsburgh. The leading dentist of Danville is our own Charlie Williams, and Preacher Lawther has taken over the South African Missionaries. Keesling, Pitts, Stradley, Gentry, and Kreeger have started an internationally known chain of beer parlors with the headquarters 200 yards from A.M.A. Sanders, J., and Stone have started a law firm, and their main source of income is from "Red" Allyn, who is trying to divorce his fourth wife. It seems that she didn't have as much money as he had anticipated. The firm of Elliott and Kearse are defending Mrs. Allyn on the grounds that she had money until she married "Red." Beak Burden has finally decided to settle down and has a large farm just outside of Washington, and is

raising quite a family. The ace mechanics of New York are Jim Crawford, Bob Gorton, and Brooks, who have received their training in the Army Air Corps. Well, here comes the Navy, and they are covered with decorations. I'll see if I can name them for you: Lt. Sam Neff, C.P.O. Joe Dunn, C.P.O. Gruber, Capt. Ray Brown, Capt. Dave Seward, and Vice-Admiral Rich, all having distinguished themselves in the war. Speedy VanPelt is now a racing car driver, and Bill Jones is always there taking pictures of the winners. Southgate Lohman and Art Weinstein are now professors at M.I.T., while Boothe is teaching "How to Make Friends and Influence People" at William and Mary. Those three boys you see sporting Congressional Medals of Honor are George Carpenter, Jay Richardson, and Ray Kauffman, and they are really shined up. Bazemore, Welch, Woody, Field, H., and Johnson have all gone into a football career of some kind, such as coach, prop players, etc. Ed Thompson has taken over the job as Post Master. Freeman, R., Lemmon, Stewart, H. B., and Wilson, D., have been spending most of their time trying to build a bridge across the Atlantic, while McQuillan and Melchor are trying their luck tunneling under. Cordero, Long, and Rexrode have opened a big night club in Palm Beach, Fla., and there has been a great argument there. Cockrell says that he can drink Green under the table, but Green denies it. Crist has made quite a name for himself as a drummer. I. W. Phillips and Sonny Page have settled down and are now running a farm in Virginia, while Bob Spilman runs a mint (mint for Mint Juleps) farm in North Carolina. Buddy Ross is still in the Army. He liked to clean rifles, so they redrafted him. Burt and Lawther, B. J., have bought a yacht and are sailing around the world for the fifth time. They have a crew of A.M.A. '45 classmen, and they are Richardson, R., Morse, and Leigh. (Only to evade the income tax.)

Well, there goes the last note of "Auld Lang Syne," and the cadets are heading for a train to get home, so best of luck to the Class of '45, 'till we meet again, so long.

More Than A Matter of Conquest

Instrumentalities of death and destruction and brave men to operate them are not all that America requires in order to bring about adequate victory in the war now raging.

The home fires—the instrumentalities of day-to-day living also need to be kept alive. For example, the mothers, the young people, and the aged of the civilian population should be surrounded as generously as possible with future financial security. In providing security of this kind, life insurance sets up defences that are supremely dependable.

Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolical of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed an enormous industrial vitality, and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

Years of experience have taught us! Printing Pays Us Only When It Pays You!
